# Pet Waste Tip Card (Finished Size: 8.5"x5.5")

### Front

## Back

Did you know that your dog could be contributing to stormwater pollution? Dog waste, flea and tick prevention products and shampoos can contribute to stormwater pollution.

#### **WALKING YOUR DOG**

When walking your dog, always carry a pooper scooper or plastic bag. Use them to pick up after your pet and put the droppings in with the trash or in the toilet.

or beach.

Canine fecal matter contains harmful bacteria, which can pose serious health problems to those that come in contact with

#### **WASHING YOUR PETS**

If possible, bathe your pets indoors using less toxic shampoos or have your pet professionally groomed. Pet shampoos and soaps, even when biodegradable, can be toxic to humans

Consider using alternatives such as oral or topical flea control products. If you use flea control products such as shampoos, sprays or collars, make sure to dispose of unused quantities properly.

Have fun with your pets! But please be a responsible pet owner and take care of them and the environment.

A reminder from the City of Arcadia Stormwater Program.
